

# 1-Day Intensive

## What's Included?

### SYSTEMS

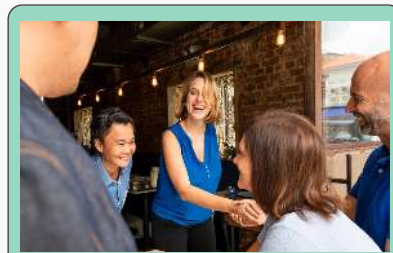

I'll connect all the pieces of your business together, so you can make the most of them.

Think: email automation, reports, alerts and integrations.

### STRATEGY

As a CMO with the skills of a CTO, I'm here to sit with you, interpret and optimise your existing business strategy with the tools available.

### SUPPORT

2-months of my group coaching program are included for up to 2 members of the team. Meet other traditional business owners and keep learning!
